

Proven breeding value from a powerful genetic combination

This pigeon originates from an **exceptionally proven Thailand Masters winning family**, combined with **highly demanded Best Kittel genetics on the dam's side**.

All listed results were achieved **exclusively by offspring of full brothers and full sisters of the Thailand Masters Winner 2023**.

These performances are based on **direct offspring from the closest genetic circle of the winning pigeon**, not distant relatives.

→ **Proven winning bloodline × strong Best Kittel genetics**

Documented proof of breeding value

(all results from offspring of full siblings of the Thailand Masters Winner 2023)

Thailand Masters Final 500 km – January 14, 2026

Extremely hard conditions – only **186 pigeons returned on day one** (from 2,358 entered)

→ **31st Place Final**

DV-0018-25-348 – offspring of a **full brother of the Thailand Masters Winner 2023**

Repeatability confirmed:

Already in **2025**, another pigeon bred from a **full brother of the same winner** achieved:

→ **30th Place Final – Thailand Masters 500 km**

→ **Two seasons – same final – same bloodline**

→ **Clear proof of stable genetic transmission**
